Miss Pauline Hobson has returned from Knoxville where she graduated last week from the University of Tennessee, and will be at home with her parents, Mr. and Mrs. H. P. Hobson, for the vacation season, going, as we are informed, to Georgia at the opening of the schools in the fall, where she has accepted a position as a teacher.

Work of improvements in the Hargrove grocery store on the east side of the square has been about completed and the building presents quite an improved appearance. The old front was entirely removed and a new plate glass front put in, the interior was completely overhauled and remodeled to make it a neat, attractive and convenient business house, a new awning built in front to take the place of the old one, in fact the building put in first class condition and we congratulate the own-

er of the building, Mike Lintz, and the occupant, E. C. Hargrove, on the satisfactory completion of the work.

The board of equalizers has continued in session all the present week up to Friday and have not yet completed their work. It will require several days of next week to complete the work and turn the assessor's books over to the county court clerk, that he may proceed with making out the tax books for the year 1916.

Whenever You Need a General Tonic Take Grove's

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

Workmen in charge of the work of wrecking the old M. E. church building in this city have made rapid progress since they began little more than a week ago. We are told that materials have been ordered shipped and when the ground is cleared work of rebuilding will start at once and pushed as rapidly as can be done. The building committee is now asking subscribers to the building fund to pay their subscriptions and they think that funds will be furnished to meet the needs of the committee as the work goes on. As stated in these columns before, it is thought the new building will be completed in about four months time.

At the June meeting of the board of mayor and alderman which was held last Thursday morning, June 8, the following officers elected in the May 10 city election were inducted into office: E. A. Maddox mayor, W. E. Narremore, W. M. Mayo, W. H. Hughes, E. T. Henley, C. M. Reames, C. W. Crawford, aldermen, and W. T. Loggins, recorder. The board then elected E. A. Maddox superintendent of the municipal water and light plant, C. W. Crawford, treasurer of the city, and upon the recommendation of the board, the mayor appointed M. L. Farris city marshal. All of these are re-elections except Alderman C. M. Reames, who succeeds W. C. Reeves, and Recorder W. T. Loggins who succeeds J. G. Hendon.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

The fire alarm sounded on last Thursday about the noon hour called Somerville people to the residence of H. W. Lipsey on Somerville street which had been discovered to be on fire, which had caught in the attic over the kitchen, no one being at home at the time except the cook who was preparing dinner, and was unmindful of the fire until neighbors discovered the escaping smoke and gave the alarm. Efforts were made to save the house but the in-efficiency of the fire-fighting system here made it impossible to put even a check to the spread of the flames and the entire house was quickly consumed with a considerable portion of the contents. Fire plugs in the neighborhood could not be unscrewed, owing to the rusty condition from lack of use and the worn condition of the screw heads. The city authorities should remedy these things at the earliest possible date to the end that other fires may be prevented. The loss was only partially covered by insurance.

WORDS FROM HOME

Statements That May Be Investigated. Testimony of Somerville Citizens.

When a Somerville citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Somerville resident. No stronger proof of merit can be had.

J. G. Knox, State St., Somerville, says: I suffered from pain and lameness across the small of my back and I got so bad I couldn't stoop to tie my shoes. My kidneys acted too freely and I had to get up at night to pass the secretions. Lights seemed to flash before my eyes and I was often dizzy. It didn't take Doan's Kidney Pills long to rid me of all these troubles. I know that I am doing the right thing in recommending them to other kidney sufferers."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Knox had. Foster-Milburn Co. Props., Buffalo, N. Y. adv. 7-1
